## <h2>About Us</h2>

<p>Taste and See our CUP OF JOE'S CAFE offers a unique coffee house environment unlike any other cafes.

We are not only a place to drop in and get your morning cup of coffee (although you are more than welcome to do that),

we are a place where you can sit down and enjoy that tailor-made cup of coffee.

If you need to work, we have a seating area created specifically for you.

If you need to rest, we have a soft-seating area in front of a stone fire place that is perfect for your weary mind and body.

We offer a delicious variety of coffee roasted in house made by our professionally trained baristas.

We have everything from classic coffee to our house made specialty beverages.

All of our sauces & syrups are made in-house with all natural ingredients (no chemicals or preservatives) ensuring you the highest quality in taste & health.

You can complete your coffee with one of our delicious sweet treats made by our very own baker.

We look forward to serving you at Taste & See the cup of joe's cafe.....!</p>
